

## NO SHOW AND LATE CANCELLATION POLICY

Failure to show up for a scheduled appointment may result in a charge of \$70.00 per hour scheduled.

Cancellation of an appointment without 24 hour notice may result in a charge of \$70.00 per hour scheduled.

Failure to show up for a scheduled appointment or late cancellations more than 2 times may result in dismissal from the practice.

Patients who are 20 minutes late may be asked to reschedule their appointment.

We understand that situations arise that may cause missed or cancelled appointments. This policy has been put into place to ensure missed appointments and late cancellations are kept to a minimum, which allows our office to maximize our time to provide patients with the best possible care. Each charge will be handled accordingly to each missed or late cancelled appointment.

I have read the policy and understand the policy and its content.
